Policy Statement:

The County of Vermilion River in order to provide safe roads, will set speed limits on County roadways at 80km/hr unless otherwise determined by Council that a lower limit is necessary due to safety conditions.

Purpose:

To deem specified areas in the County of Vermilion River that is considered to be unsafe to travel at standard speed limit rate of 80 km/hour.

Guidelines:

The following guidelines must be followed:

1. Road must have sight line less than 300 meters
2. Must be a residential intersection
3. Considered a Safety Hazard
4. The length of the roadway for proposed speed reduction and reduced speed limit will be established by the Director of Public Works.
5. Has curves rated at less than 80km/hr

Procedure:

1. A written request will be submitted to the Public Works Department
2. Pending approval from the Director of Public Works and adherence to above fore mentioned guidelines, the request will be submitted to the next scheduled Council Meeting for approval from Council.
3. The County of Vermilion River, by Council motion, may post the reduced speed limit to help improve safety of the travelling public.
4. Curvature to be rated by Engineer
