

POLICY NO:	PW 020
POLICY TITLE:	DRAINAGE DITCHES
DEPARTMENT:	PUBLIC WORKS
APPROVAL DATE:	77-06-08 (June 24, 2008)
REVISION DATE:	
REVIEW DATE:	October 6, 2014

Purpose:

To give Council and the Public Works Department guidelines and criteria to follow when determining use of the Drainage Ditch budget.

Guidelines:

1. Maintenance of an existing drainage ditch or system which includes:
 - a. Mowing, hydro axing, clearing debris
 - b. Reshaping due to erosion
2. Maintenance of drainage issues should be predictable and pre planned, not emergent
3. Installation and/or upkeep and repairs of current culverts
4. Pumping of current ditch, due to bottlenecks (i.e. debris) and back-ups
5. County Licensed Drainage Ditch
